

# KTW of the TIMERAISEr month

## Nicholas Adams

### What piece of art did you buy?

I bought Illuminating Wonders, by Kieran Outerbridge.

### What organization(s) did you volunteer with to pay for your art?

I volunteered with JABC, The Kamloops Arts Council and Pit Stop.

### What do you like best about the organization you volunteered for?

I enjoyed mentoring young people with JABC, to gain skills that they will use for the rest of their lives. The Steminist program, in particular, was amazing, and I look forward to encouraging more youth in their entrepreneurial journey.

### What did you like best about your artwork?

I like that it captures the excitement of discovery. Creating those experiences is at the core of most of my volunteer efforts, and I think this piece epitomizes that. It was created by a young person who has a passion for what he is doing and creates art with his family.

### What do you like about the Timeraiser event?

I liked that the format encourages working with groups that I have not worked with before. Strong relationships have been formed with other organizations I work with, most notably between JABC and Kamloops Makerspace. The Timeraiser also exposes people to what organizations are active in our community.
